ADDITIONAL SKILLS AND EDUCATION

- Cheshunt School
- 8 x GCSEs

I have been working in the Insurance industry since 1988, joining Hibernian Insurance Company in 1990 and transferring to the Loss Adjusting sector in 1998.

After working within the Liability Division of a global Loss Adjusting firm and for a national firm of Solicitors, I moved to a specialist liability practice in 2005, before establishing Forensic Adjusting in 2022.

I have expertise in dealing with fatalities across various sectors, in addition to stress claims, medical malpractice/treatment risk claims, industrial risks, liability risks in the leisure sector and personal injury claims.

EXPERIENCE

Director/Owner – Forensic Adjusting Ltd – October 2022 onwards

July 2007 – September 2022

Director, The Liability Network

The investigation and handling of liability claims, covering a range of sectors to include the recycling industry, care homes, medical establishments, hotels and restaurants and industrial workplaces. Assignments have also included the detailed investigation of stress claims, fatalities, medical malpractice and treatment risk claims, as well as a range of slip, trip and fall cases, manual handling and WRULD cases.

Responsibilities:

The full handling of all Liability claims, including the investigation process and settlement negotiations, with the following areas covered:

- Employers Liability
- Public Liability
- Product Liability
- Medical Malpractice
- Motor Liability
- Technical audits
- Broker Reviews

July 2005 - July 2007

Senior Liability Adjuster, Eversheds LLP

June 1998 - April 2005

Loss Adjuster, McLarens Loss Adjusters

July 1990 – June 1998

Claims Handler, Hibernian Insurance Company

June 1988 – July 1990

Insurance Clerk, Manson Insurance Brokers
